Re: **AtEze EPA Registration 75801-2**

Dear Dr. Szuhay,

AtEze *Pseudomonas chloraphilis* strain 63-28 (PC Code 006478) currently has conditional EPA registration. In accordance with FIFRA Section 3(c)(5), is submitting herein the following

48766901 documents:

- Study of Growth and Survival Data As Supplemental to MIRD 466159-01

- 48766902 • Study of AtEze's Production of Siderophores As Supplemental to MIRD 466159-02

The purpose of this submission is to obtain final EPA registration of the product. It contains the clarifications suggested in your letter of December 1, 2005.

Sincerely,

Company Official: Bert E. Hocking, Jr.
Company: Turf Science Laboratories, Inc.
